PROCESS FOR RESERVING SPONSORSHIPS

A link to the OpenStack November 2014 Summit Sponsorship Agreement in Echosign will be posted to the website:

http://www.openstack.org/summit/
on Thursday July 17, 2014 at 11:00am CDT / 16:00 UTC.

Friday, September 19, 2014 is the final day that signed sponsorship agreements will be accepted.

All sponsorships are limited, and will be sold on a first come, first served basis as determined by the timestamp on signed agreements received.

Headline level sponsorship will also be confirmed on a first-come, first-served basis if there are four (4) or fewer contracts submitted within the first hour of the executable agreement becoming available. In order to create a fair and level playing field, if more than four (4) companies submit signed contracts within the first hour (between 16:00 - 17:00 UTC) for a Headline sponsorship level, the Foundation staff will conduct a lottery to draw the four (4) official Headline sponsors. The remaining companies that do not secure the Headline sponsorship via lottery will be given the opportunity to re-sign contracts and obtain Premier level sponsorship slots in the order they submitted Headline agreements. The lottery is only applicable to the Headline sponsorship level.

If your company has any past due balances owed to OpenStack Foundation, these invoices will need to be paid in full in order to be eligible to sponsor the Summit. Please contact billing@openstack.org if you think you may have any overdue/outstanding invoices.

The evening event slots are open to all sponsorship package levels to purchase as add-ons. Please be prepared to rank your preferred evening event day (if applicable) when you submit the initial agreement. After reserving an official event day, the sponsor is responsible for securing the venue, managing production and covering all costs associated with producing the evening event. Please be aware that we are unable to accommodate cancellations or changes to these commitments once the contracts are signed.

Please note - all $ prices in this document are listed in US Dollars.

The Prospectus contains a lot of information.
Please read it carefully and completely!
